Re: Mall Renovations

United Skys has worked successfully for B&B Contractors & Developers, Inc. over the past three years at several Cafaro Company properties.

In 2005, United Skys completed the skylights at the Spotsylvania Mall Renovation in Fredericksburg, Virginia.

In 2006, United Skys completed the skylights at the Eastwood Mall Renovation in Niles, Ohio. And in 2007, they just recently completed the skylights at the Kennedy Mall Renovation in Dubuque, Iowa.

B&B Contractors & Developers would definitely consider using United Skys for future projects.

Sincerely,

David D. Dull
Project Manager
