Mr. Blake Pavelich
United Skys Inc.
702 Magna Drive
Round Lake, IL 60073

Subject: Colorado Convention Center Expansion Project
Denver, Colorado

Dear Mr. Pavelich,

This letter is in response to United Skys Inc. completion of the Colorado Convention Center Expansion skylight work, completed approximately January 2004. The subcontract value for this work was \$100,691.00.

All work was performed under the requirements of the contract documents, was well coordinated, delivered on time, and installed with the highest quality. There were no punchlist issues on the installed system, and no warranty work required as of this date.

It was a pleasure to work with your company.

Sincerely,

Hensel Phelps Construction Co.

Mark Medlyn
Project Manager
