Re: HBE Projects

We are exceptionally pleased with the quality and performance of your skylight assembly. HBE Corporation has used United Skys Inc. on several projects throughout the United States and would highly recommend their product to our clients.

We have found this assembly to be attractive, cost-effective and of very high quality. We wish to thank you for your cooperation on the many projects we have worked on together.

Please feel free to use our name as a reference for other clients and contractors.

Sincerely,

A handwritten signature in dark ink, appearing to read 'J.L. Thompson'. The signature is fluid and cursive, with a long, sweeping tail that extends to the right.
