To Whom It May Concern

United Skys, Inc. has recently completed several regional shopping mall projects for The Cafaro Company. We chose United Skys, Inc. because of their superior skylight product and efficient installation procedures.

At no time did United Skys, Inc. effect or disrupt the overall construction schedule. Over the past five (5) years there have been no warranty issues with their product.

Lastly, The Cafaro Company will continue to utilize United Skys, Inc. for future new and renovated mall projects.
