Dear Blake:

On behalf of Trainor Glass Company it is my pleasure to recommend United Skys, Inc. to any/all contractors for consideration for future projects.

I would like to take the time to thank you for the skylight work United Skys, Inc. completed on the Jesse Brown VA Hospital in Chicago, IL.

The skylight work on this project was designed, fabricated, delivered and installed on time and the client was pleased with United Skys, Inc. product. United Skys, Inc. willingness to help achieve the goals of our project from a budget and functionally aspect has been an access.

United Sys, Inc. has brought knowledge, experience, integrity and a proven track record to our project. I would like to note that after four years there have been no issues with your skylight product.

It was great pleasure working with you and Trainor Glass Company look forward to working with United Skys, Inc. in the near future.

Sincerely,

Jim Juers  
Project Management
